

LINstar

Fresh Thinking from LINPAC Packaging

Premium patented packaging with market leading absorbency!

The market leading absorbency of LINstar® removes the need for 'soaker' pads so disliked by the consumer. An ideal in-store or short shelf life packaging solution available in a variety of sizes and vibrant colours.

FOR THE PACKER/PROCESSOR

Designed for both manual and automatic stretch wrapping machinery

Flexibility - choose from a wide range of standard designs in various shapes, sizes and colours. Alternatively work with our technical team to develop a bespoke design

Cost efficient - no need for a separate 'soaker' pad

LINstar

Fresh Thinking from LINPAC Packaging

FOR THE RETAILER

-  Savings in in-store waste through use of LINstar® trays*
-  Offers exceptional shelf impact with a wide range of vibrant colour options to drive sales
-  On-shelf appeal - in-built, patented high capacity absorbent core to remove unsightly meat juices
-  Store efficient - absorbent core reduces shelf cleaning and waste due to leakers
-  Warm touch packaging for consumer appeal
