

LINPAC

EPS Trays

Fresh Thinking from
LINPAC Packaging

The original foam tray! Ideal for manual applications and suitable for entry level packaging requirements for the retailing of meat, fish and poultry. These EPS trays can be used with both manual and automatic stretch wrapping machines.

FOR THE RETAILER

 Flexibility - wide range of sizes and colours for meat, fish and poultry

Suitable for manual, semi-automatic and automatic overwrapping solutions

 The insulation and cushioning qualities of EPS foam trays offer good protection and product presentation both in-store and in transit

 Good shelf impact - your products will appear 'freshly-packed'

 Colour options offer unique product differentiation to drive sales

 Multi-functional, all-round, cost effective packaging solution

 Warm touch packaging for consumer appeal
